

Chelmsford City Supporters' Club

EGM Agenda

Wednesday 22nd June 2022, commencing at 7pm at the EMG Inspire Stadium Clubhouse

The Chelmsford City FC Supporters' Club have called this EGM to provide an update to the membership about the work we have done since the May 2022 EGM and to feedback further regarding the two meetings with the Football Club on 16th May 2022 and 8th June 2022.

Based on these meetings, and other communications with the Football Club outside of the meetings, we would like to have a discussion with the membership to agree our approach with the Football Club going forward, with this being a pivotal time of the year where preparations for the 2022-23 season should be in full flow ahead of pre-season starting in a few weeks.

The EGM will also provide an opportunity for people to purchase their Supporters' Club Membership with further details on this to be provided prior to this meeting.

All supporters of Chelmsford City Football Club are welcome to attend and express their views. Should a vote on any motion be required only those with a 2021-22 Supporters' Club Membership will be eligible to cast a vote.
